

2010 Skywarn Spotter Training

Ottawa County Fillmore
Street Complex
Main Conference Room
12220 Fillmore Street
West Olive, MI 49460

Thursday, March 25, 2010

6:30 pm - 10:00 pm

This training is presented for all Emergency Response agencies (Law/Fire/EMS), Amateur Radio, Weather Spotters and anyone interested in severe weather. This class will cover classification, visual identification, and reporting procedures for severe weather. Instruction will be given by a representative of the Grand Rapids Office of the National Weather Service. There will also be presentations by local TV meteorologists.

For questions or additional information contact:

Chris Saddler at 616-738-4052
csaddler@miottawa.org

or Bill Smith at 616-738-4050
bsmith@miottawa.org

Presented by Ottawa County
Emergency Management and the
Grand Rapids Office of the
National Weather Service.

**This is a FREE class and
there is no need to
register.**
